RESUBMISSION OF APPELLANTS' APPEAL BRIEF

SIR:

In response to the Notification of Non-Compliant Appeal Brief mailed December 27, 2005, Appellants herewith re-submit the Appeal Brief, with an Evidence Appendix as required in Item 8 of the Notification.

The Notification, in Item 9, also stated that the Brief does not contain copies of decisions rendered by a court or the Board of Patent Appeals and Interferences identified in the Related Appeals and Interferences section, however, as explicitly stated in the Related Appeals and Interferences section of the original Appeal Brief, there are no related appeals and no related interferences, and therefore there are no such decisions to attach.

The present Appeal Brief is submitted to be in compliance with all of the applicable requirements.
